Joseph MuHenry, who is serving out a sentence for a misdemeanor, more than once told him to shut his mouth. Jones' profanity is disgusting, not only to ears polite but to the average newspaper man, who is considered to have an adamantine cheek and an elephantine skin and a heart that throbs for itself. Trade was only fair in the earlier stages of he market, and subsequently became quite hull. Prices, according to quality were %c sigher on better grades (and in a few cases higher on better grades (and in a few possibly a greater fraction), but that w account of their scarcity, as good cattle few, though there were some tops of a rice quality, which sold at our top quo (6/4c) by the Lehmans. The quality, ally, was untilferent, there being a large nouderness traces, there being a large

THE SWINE MARKET.

The number received since last week doe not reach half as many as were off red th previous week, and there is no improvemen previous week, and there is no improvement in quality, good sheep being quite scarce and in fair demand. If the offerings were much better the demand would show a fair degree of activity, but the outside demand is limited and our butchers are buying sparingly. Frices range from 3½44½c for butchers heep and 4a 5c for lambs, with fair prospects for good sh.ep.

Health and Happiness. seems strange that my one will suffe in the many constitutional derangement inght on by an impure state of the blood in Guysott's Yellow Dock and Sarsaparili when Guysott's Yellow Dock and Barsaparilla will restore perfect health and physical organization. It has proven itself to be the best blood parifier ever discovered, effectually curing Scrofula, Syphilitic disorders, Weakness of the Kidneya, all Nervous disorders and Debility. It corrects Indigestion, etc., rejuvenates the old, axhilarates the young, and invariably drives out of the system all the fills that human flesh is heir to. Price of large quart bottles \$1.00.

Why WHI You

Allow a cold to advance in your system and thus encourage more scrious maladies, such as Pneumonia, Hemorrhages and Lung troubles when an immediate relief can be so readily attained? Boscher's Grimman Street has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest car, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your Druggist as to the truth of these remarks. Large sizes 75 cents. Try it and be convinced.

A Medicine Chest for 25 Cents.

Perhaps no one medicine is so universally required by everybody as a good, cathartic. Swayne's Tar and Sarsapar no market for mixed packing.
